COPY - fleece

This copyable fleece is suitable for laser printer and copier. So you can create simple and at low costs

- / name plates
- / safety labels
- / product marks

by yourself without ordering huge editions.

The fleece labels will be copied or printed or laminated as required - absolutely forgery-proof and so ideal also for the secure identification of your products, e.g. to cheap imports.

We offer the *Copy-fleece as practical DIN A4 cut:*

100 pieces DIN A4	€ 32,50 / packing
500 pieces DIN A4	€ 137,50 / packing
1000 pieces DIN A4	€ 257,25 / packing

delivery incl. packaging ex works, add. VAT

For individual sizes - also as rolls - or already with finished print please ask for an offer.

Important note: normal glass- and polyester nonwovens destroy the figure trommel resp. fixing unit of the machine **at once**. Only this Copy-fleece was especially developed for this application
